Machine Specifications

The Kubota Z2-481 zero-turn mower is built for homeowners who want more than a basic ride-on. If you are maintaining a medium to large garden and want a fast, precise finish, the Z2-481 is a strong choice. Its zero-turn steering allows you to cut around trees, borders and obstacles with ease, reducing mowing time and improving results.
This mower comes with a 48” side discharge mower deck.
