

STIGA SBC500 AE BATTERY POWERED BRUSHCUTTER SET

£209.00

Product Type: **Battery Handheld**
Brand: **STIGA**

Product Features

Stiga SBC500 AE Battery Powered Brushcutter Set

Powerful and easy to handle, the SBC500 brush cutter is designed to tackle tough weeds, foliage and vegetation cluttering your garden. Its 500W brushless motor delivers superior performance, efficiency and longevity. And because it's a battery-powered cordless brushcutter, there are no cables or emissions to worry about – and it's much quieter than a typical petrol brush cutter.

- Battery powered for cable-free, stress-free brushcutting
- Variable speed for better energy management and performance
- Tap and go' head makes releasing the line quick and easy
- Adjustable handle for more comfortable operation
- Brushless motor delivers superior performance and longevity
- E440 battery and C415 charger included

The Stiga SBC500 AE Battery Powered Brushcutter Set is available for home delivery or FREE click and collect from any of our [five branches](#).
