Product Features

Honda HRX537 HY self-propelled, petrol lawnmower

Honda HRX537 HY mower with hydrostatic drive delivers immense power and performance at a pace that suits you. This superb machine features unparalleled variable speed control, which means that **you are not restricted by set speed settings**. This highly popular model offers the pioneering and unique Versamow™ mulching system, giving you the choice to **mulch, collect or discharge** and can cope with the largest of lawns.

The mower comes with the latest Euro 5-compliant four-stroke engine. It provides class-leading power and torque, with **improved fuel efficiency** and easy starting even after winter storage. The reduction in parts and the engine redesign has this lawnmower **up to 2kg lighter than its predecessor**. These changes have resulted in increased power, fuel efficiency, reliability and manoeuvrability.
