Honda UM536 EBE 53cm Side Discharge Dual Speed Grass Cutter

The 4-Stroke Scythe.

This two speed self-propelled grass cutter complete with a 53cm steel cutter deck is ideal to tackle areas which are difficult to manage like fields, parkland and roadsides.

This Grass cutter has what we call a 'floating deck' which is its secret to defeating long grass.

We might call it 'floating' but there's nothing other-worldly about it. Its clever design prevents the grass from being pushed flat against the ground which enables each blade of grass to cut down to size.

HONDA UM 536 EBE 53cm Side Discharge Dual Speed Grass Cutter is available for home delivery or FREE click and collect from any of our **five branches**.
