Product Features

The STIHL RM655 Petrol Lawn Mower is **Stihl's most premium range**. Designed for gardeners who want the best mowing experience possible.

With large area coverage of up to 2500m² on the RM 655 RS. This model is built with durability and comfort in mind **for large professional mowing tasks**. With a durable metal rear roller with robust drive and well-sealed bearings. There is no compromise between convenience and lawn striping quality.

Above all, the body design allows for **easy access and maintenance of working parts** such as drive cables, pulleys and the drive belt.

The optimised rear deflector flap works perfectly with the mono-comfort handle. It improves access to the grass box and makes emptying much easier. STIHL's best technology comes standard on these mowers. High lift blade for **excellent cut and collection**, extremely sturdy mono handlebars allow for **easy emptying of the grass catcher box**. Plus it is easy to adjust to suit different heights, or fold for storage without tools.

There's a simple one drive and blade brake clutch on the RM 655 RS. it allows you to **stop the blade but keep the engine running** when emptying the box or moving between mowing areas. The aluminium deck is **robust and lightweight**. Plus central cutting height adjustment and foldable handle bar make usage and storage much easier
