

VALTRA T254 TRACTOR - 1:32 SCALE MODEL

£34.99

Product Type: **Scale Models**
Brand: **BRITAINS FARM TOYS**

Product Features

Introducing the Metallic Orange Valtra T254, chosen from the "Valtra Unlimited" Collection. The Britains scale model doesn't stint on detail: superb metallic finish replicating exactly the same colour as the real tractor, removable cab to allow you to drop in one of your sitting drivers (sold separately), working steering and an A-frame front hitch. It's one of a range of 1:32 scale models built of die cast metal and plastic. Suitable for indoor and outdoor play, for kids and collectors aged 3+.

Available for home delivery or FREE click and collect from any of our [five branches](#).
