Product Features

This Massey Ferguson 8480 Tractor scale model makes a great present for any farm enthusiast.

- True-to-scale original wheel rims with rubber tracks.
- · Removable cover, front loader and trailer decoupler.
- The model is complemented with an all-new, highly detailed front loader with tipper.
- The Krampe three-axle tipper is almost exclusively made of METAL, with the exception of small components. For the 1:87 scale, this represents a new quality standard.

The detailed working with many small features in this combination makes this model an attractive part of any kids' farm, collector's display or model railway.
