

GALLAGHER TURBOLINE INTERMEDIATE INSULATOR (PACK OF 20)

£20.50

Brand: **Gallagher**

Product Features

The Gallagher TurboLine Intermediate Insulator is a strong insulator for fitting tape of up to 40 mm onto intermediate posts in permanent fences.

It is very easy to fasten the tape. It is clamped with 2 separate rubber parts with a single click. This stably fastens the tape and substantially increases its life cycle. The TurboLine intermediate insulator has a 2-year warranty.
