

GALLAGHER WIRE TENSIONER (PACK OF 3)

£16.00

Brand: **Gallagher**

Product Features

The Gallagher Wire Tensioner fits over wire for mid-fence tensioning, increasing the effectiveness of the strain by pulling in both directions. No need to cut the fence wire so power in the fence is maintained.

The tensioner can also be used to repair a broken wire.

Strong, lightweight and made from rust resistant aluminium the tensioner has a 10 year warranty.

- Easy tensioning and release of fence wire
- Maintains uninterrupted power to the fence
- Also used to repair broken wires
- Hard-wearing and rust resistant
- 10 year product warranty.

Available for home delivery or FREE click and collect from any of our [five branches](#).
