

# AUTOGLYM HEADLIGHT RESTORATION KIT

**£34.50**

Product Type: **Car Products**  
Brand: **AutoGlym**

## Product Features

### Autoglym Headlight Restoration Kit

Dull, cloudy headlight lenses can spoil the face of your car and hamper the performance of the bulbs.

Autoglym Headlight Restoration Kit is an effective solution to restore clarity to your headlights.

Designed to work with any electric drill, this kit will quickly, safely and effectively renovate plastic headlight lenses.

**Winner of the 2016 'Best Buy' in the Auto Express Powered Headlight Restoration Kit group test.**

Contents:

- 100ml Headlight Restoration Compound
- 1 x Drill bit backing plate
- 6 x P800 sanding abrasive disc
- 4 x P1500 sanding abrasive disc
- 1 x P2000 sanding foam disc
- 1 x P3000 sanding foam disc
- 1 x White compounding pad
- 1 x Microfibre cloth

#### **Important:**

**In order to use this system you must be confident in using a high speed drill. The paintwork must be fully masked off to avoid damage.**

**Note: This product is not suitable for use on glass headlight lenses.**
