Product Features

Maxsteel **Goodyear Welled Slip On Safety Boots** are a classic safety dealer boot from Maxsteel Safety Range.

Crafted with a full grain waxy crazy brown leather upper. Pull on ankle boot with twin industrial strength elastic gussets. 200J impact and compression resistant steel toe cap. Underfoot protection is given via a Goodyear welted sole. Rear pull loop for easy wear. The boot has an internal breathable mesh lining and removable PU foam footbed. Hardwearing energy absorbing and oil resistant Nitrile rubber sole unit.

Conforms to EN ISO20345:2011 Safety Footwear Standards.

Goodyear Welled Slip On Safety Boots are available for home delivery or FREE click and collect from any of our [five branches](#).
