Product Features

The **Stihl HSA86 Cordless Hedge Trimmer** is lighter and even more powerful and efficient than its predecessor. It ensures a constant stroke rate while pruning thick hedges. The Stihl EC motor also guarantees a longer running time while keeping noise to a minimum. 33 mm tooth spacing and larger intervals on the cutting guard make light work of thicker hedges. The cutter blade is double-sided with double-edged cutting teeth for a precise finish.

Does not include a battery or charger. Suitable for users who already own AP200 battery and AL300 charger.

Stihl HSA86 Cordless Hedge Trimmer is available for home delivery or FREE click and collect from any of our [five branches](#).
