

STIHL RMA448 VC CORDLESS LAWN MOWER (EXCLUDING BATTERY & CHARGER)

£625.00 ~~£599.00~~

Product Type: **Battery Handheld**
Brand: **STIHL**

Product Features

The Stihl RMA448 VC Cordless Lawn Mower comes with a **46 cm/18 inch working width** ideally suited to larger lawns and professional applications. It features a **variable speed drive** for prolonged comfortable operation. This mower is powered by Stihl's **professional AP series**, the recommended AP 300 battery provides **up to 400 m² coverage** per full charge.

The height of the cut is centrally adjusted from a **minimum of 25 mm** to a **maximum cut of 75 mm**. The Vario **self-propulsion from 2 - 4.5 km/h** makes it almost effortless to manoeuvre no matter the lawn conditions. Easy-running wheels with a traction pattern and directional stability tread pattern hold their line during mowing. This results in a **smooth operation** and a perfect finish.

Grass cuttings can be collected in the easy-to-open and empty **55 Litre plastic grass catcher box**. A handy full-level indicator minimises downtime by showing exactly when the box needs emptying.

The Stihl RMA448 VC Cordless Lawn Mower has the following features:

- Individual tool without battery and without charger
- Cordless lawn mower with a 46 cm cutting width and Vario drive
- For low-noise use on medium-sized lawns
- Powerful cordless lawn mower with a cutting width of 46 cm and 1-speed wheel drive
- Maximum efficiency thanks to flow-optimised blade and eco mode
- Fitted with 55-litre grass collection box with fill-level display
- Equipped with height-adjustable comfort handlebars
