## Product Features

**Stihl TSA230 cordless cut-off Machine** is suitable for indoors and outdoors use.

This 9" cordless **disc cutter** machine is part of Stihl's AP System. This means that you can find a wide selection of Stihl products with exchangeable batteries and backpack batteries. The AP System range is suited to large gardens and for professional use.

Cutting neatly and swiftly up to 70mm deep, the TSA 230 is ideal for **cutting roofing tiles, bricks, metal and paving blocks**. The Stihl TSA230 cordless cut-off machine is particularly light at only 3.9 kg (without battery). Emission-free cordless technology benefits both the operator and environment whilst allowing the tool to be operated indoors and outdoors. The water connection and vacuum accessories ensure effective dust control when cutting. Supplied with an abrasive wheel for cutting steel.

Does not include battery or charger.
