Product Features

Fill up on adventure with an over-sized bottle built with the **Yeti Rambler 46oz Bottle**. This dawn-to-dusk water well is sized just right. It's not too big to slow you down, but big enough to hold ample H2O from your early-morning start to that worth-the-hike sunset. As for its temp-holding power, its double-wall vacuum insulation promises sub zero sips on the hottest days.

For easy cleaning and use day after day, this reusable bottle is dishwasher safe. With a quick twist, the TripleHaul handle comes off, exposing our shatter-resistant, dishwasher safe spout that allows for controlled gulps on the go. When it's time for a wash or refill, remove the entire cap to expose the bottle's wide mouth. Find a colour that calls to you –the Yeti Rambler 46oz Bottle is available in stainless, DuraCoat™, and Seasonal finishes.

Do not use the Rambler® Bottle Chug Cap with carbonated beverages or for storage of food or perishables.
