Massey Ferguson MF 7726 Tractor

Dimensions: 55 x 20 x 31 inch

Weight: 27.7 pounds

Max weight supported: 110 pounds

The Massey Ferguson 7726 Pedal Tractor with Rollytrac Loader is an exciting and realistic toy tractor that is perfect for children who love to play outside and enjoy imaginative play. Designed to look and feel like a real Massey Ferguson tractor, this pedal-powered tractor is equipped with a sturdy Rollytrac loader that can be raised and lowered, adding an extra level of fun to playtime.

The tractor is made from high-quality, durable materials that are built to last, so children can enjoy playing with it for years to come. The pedal system is easy to use, allowing children to pedal forward and backward to move the tractor around the yard or driveway. The seat is adjustable, so it can grow with your child and provide a comfortable ride no matter how much they grow.

The Rollytrac loader is a fantastic addition to the tractor, providing children with an exciting way to move things around and engage in imaginative play. The loader can be used to move sand, dirt, rocks, or any other material that children can imagine, making it a versatile toy that can be used in a variety of outdoor play settings.

Overall, the Massey Ferguson 7726 Pedal Tractor with Rollytrac Loader is a fun and engaging toy that is sure to provide hours of outdoor playtime for children of all ages. Whether they are using it to explore the yard or to engage in imaginative play, this toy tractor is the perfect addition to any outdoor playtime collection.
