## Product Features

Valtra Ride-on Kids Tractor, 100% made in France for toddlers from 1 year+.

With its fun, rounded contours, this little racer will delight budding gardeners. Its bright colours are ideal to stimulate babies, who will also be able to develop their motor skills and balance while having fun!

As much at home in the garden as indoors thanks to its steering wheel and horn, this charming little tractor and trailer will be your toddler's favourite way to transport their cuddly toys from the bedroom to the lounge or outdoors.

Valtra Ride-on Kids Tractor is available for home delivery or FREE click and collect from any of our [five branches](#).
