

MOLE TUNNEL TRAP

£5.99

Product Type: **Pest Control**

Product Features

Mole Tunnel Trap

To maximise catch-rates use one or more traps per 1,000 square metre area.

- Two-way trap with traditional, proven design.
- Suitable for use in frosted ground and wet weather conditions.
- Low-cost control of moles in gardens, farms and country settings.
- Reusable, all weather design.

Available for home delivery or FREE click and collect from any of our [five branches](#).
