Product Features

The **Big Cheese Live Multi-Catch Mouse Trap** is an effective and welfare-friendly way to control mice in and around the home. In severely affected areas use more than one trap; mice live in groups and traps placed 2-3 metres apart will ensure the maximum catch. Catches 4 or more mice alive.

- Baited ready-to-use trap catches 4 or more mice alive in one setting.
- Self-setting mechanism with clear view sliding lid for easy inspection and release of catch.
- Poison-free – safe around children and pets.
- Refill and refresh attractant with STV163.
