## Product Features

### Autoglym Hi-tech Aqua Dry

High quality products should be paired with high quality accessories. They work in harmony together to create the perfect finish.

The Hi-Tech Aqua Dry can be used to dry your car following wash, preventing water spots and streaks. It can also be used inside your car too. It is excellent for wiping over surfaces to remove dampness and dirt from fabrics when using Autoglym interior cleaners. The Autoglym Hi-tech Aqua Dry cleaner is extremely long lasting and the absorbency actually improves with each use, the more it's used, the better it gets.
