Product Features

Autoglym Bodywork Shampoo Conditioner

A clean car is a thing of beauty and it's easy to achieve with Autoglym Bodywork Shampoo Conditioner, our hard working yet gentle, pH neutral shampoo.

Our low foaming solution contains a water repellent film that causes rinse water to sheet off the surface, helping you to rinse and dry your car faster.

Its active ingredients clean your vehicle without stripping away any polish or wax you have previously applied.

Available for home delivery or FREE click and collect from any of our *five branches*.
