Product Features

The Thinsulate Watch Hat is a double layer, polyester-fleece beanie for outdoor types who enjoy a bit of style. For maximum warmth, the knitted outer encloses an inner layer of Thinsulate lining. For extra protection, the wide, doubled-over cuff rolls down to cover your forehead, ears, and the back of your neck.

The Thinsulate Watch Hat has the following specification:

- 40 gsm thinsulate lined
- 100% acrylic
- in Black or Green
