Product Features

The Fort Airflex Waterproof Trousers are rain-proof, breathable over-trousers to match the comfort and protection of your Airflex Jacket. They give you the same weatherproof rating and the same tear-resistant For-Tex fabric. Pull them on when the rain starts, popper the hems tight and you'll stay dry for the rest of the day.

The Airflex Waterproof Trousers have the following features:

- fully waterproof
- breathable PU tricot fabric
- ankle adjustment
- extremely lightweight
- welded seams
- conforms to EN343 3:2
- Available in Navy & Green

Available for home delivery or FREE click and collect from any of our [five branches](#).
