## Product Features

The Fort Nelson Safety Dealer Boots offer reliable, day-long protection. This style of pull-on boot, with its neat leather upper, has long been popular with farmers and other rural trades. A steel toe cap and steel midsole with a dual density sole do their vital protective work so you can crack on with the job you love.

**The Fort Nelson Safety Dealer Boots** have the following features:

- SIP SRC
- leather upper
- steel toe cap
- steel anti penetration midsole
- dual density PU sole
- EN ISO 20345: 2011
