

KENT & STOWE TURBO FOLDING SAW

£13.00

Product Type: **Garden Tools**
Brand: **Kent & Stowe**

Product Features

A Kent & Stowe **Turbo Folding Saw** is ideal for cutting branches that are too large for loppers and secateurs. Its sharp triple ground teeth allows the efficient cutting of wet and green live wood, cutting on the back stroke for minimal effort. Designed with comfort in mind, this saw is easy to hold and fold. Comes with a confident 5 year guarantee.

- Precision filed 140mm length carbon steel blade
- Sharp triple ground teeth allows efficient cutting of wet and green live wood
- Predominantly cuts on the back stroke to minimise effort required
- 140mm length blade folds into 180mm length handle for easy transportation
- Rubber comfort grip handle
- For removing mature wood on larger plants and cutting large branches
- Cutting diameter: 50mm

The Kent & Stowe Turbo Folding Saw is available for home delivery or FREE click and collect from any of our [five branches](#).
