

BYPASS LOPPERS

£19.99

Product Type: **Garden Tools**
Brand: **Kent & Stowe**

Product Features

These perfectly sized Garden Life **Bypass Loppers** are the lighter and more compact version of our full size Loppers. These loppers are practical and easy to use and also give increased manoeuvrability. They are ideal for gardeners who might struggle with heavier tools and are suitable for cutting live, green wood.

- 40% lighter than Kent & Stowe originals
- High quality carbon steel non-stick blades
- Comfortable, soft touch, non-slip handles
- Extra precision cutting owing to shorter handles
- Suitable for cutting live, green wood as the bypass action is less likely to cause bruising and damage
- Cutting diameter 25mm
- 5 year guarantee

Bypass Loppers are available for home delivery or FREE click and collect from any of our [five branches](#).
