

KENT & STOWE EDGING SHEARS

£29.99

Product Type: **Garden Tools**
Brand: **Kent & Stowe**

Product Features

Kent & Stowe **Edging Shears** are for the accurate trimming and cutting of grass to create neat lines around your lawn. They have premium carbon steel blades which will not rust and give an extra smooth cut. Lightweight and comfortable, these shears will make light work of cutting your lawn. Made to last with their 5 year guarantee.

- Premium ground coated carbon steel blades for rust resistance and a smoother cut
- Provides an accurate and clean cut around your borders and flower beds
- Long length tubular handles eliminates the need for bending, reducing back strain
- Aluminium lightweight handles with non-slip comfort grip
- Ideal for borders, beds and around the edges of your lawn
- Cutting diameter: 8mm

Kent & Stowe Edging Shears are available for home delivery or FREE click and collect from any of our [five branches](#).
