STIHL FSE52 ELECTRIC GRASS TRIMMER

£125.00 £99.00

Product Type: Electric Handheld Brand: STIHL

Product Features

Stihl FSE52 Electric Grass Trimmer with an adjustable-length shaft and a loop handle that can be moved without the use of tools, the FSE 52 can be set up to suit you perfectly making it easy and comfortable to tackle your garden jobs.

This corded grass trimmer also has a metal spacer bracket so you can trim close to obstacles, like trees, without damaging them, and integrated cable strain relief, which prevents the plug from becoming disconnected from the extension cable.

The head of the FSE 52 can be rotated easily to convert the trimmer into an edge cutter in a flash.

Stihl FSE52 Electric Grass Trimmer is available for home delivery or FREE click and collect from any of our **five branches**.
