

# STIHL FS70RC-E BRUSHCUTTER

**~~£434.00~~ £343.00**

Product Type: **Petrol Handheld**  
Brand: **STIHL**

## Product Features

### Looking for a powerful and easy-to-use brushcutter?

Choose Stihl FS70RC-E brushcutter, an extremely robust 0.9 kW petrol brushcutter with a loop handle.

#### 20% lower fuel consumption

Stihl FS70RC-E brushcutter features a 2-stroke engine with STIHL's enhanced technology. It delivers more power with a lower weight, up to 20% lower fuel consumption than regular 2-stroke engines and significantly reduced exhaust emissions.

#### Simplified starting system

STIHL ErgoStart cuts the effort required to start the tool by half, while the starter cord can be pulled at just one third of the normal force. A coil spring between the starter cord and the crankshaft smoothes out force peaks, making them virtually undetectable through the cord itself.

#### Easy to use

The loop handled grass trimmers and brushcutters are ideal for working in areas where space is limited, e.g. thinning between bushes and shrubs.

Plus easy, comfortable thumb-operated control means the operator's hand never leaves the handle.

#### Delivery

STIHL FS70RC-E Brushcutter is available for home delivery or FREE click and collect from any of our [five branches](#).
